Bohemian Toastmasters Charter Party

At this year's spring Area D2 Conference, we're celebrating the growth and development of Toastmasters in the Czech Republic. Prague's second club and the Czech Republic's fourth club, Bohemian Toastmasters, was just chartered in February 2007, and at the conference, we welcome our new club to the Toastmasters family with the Bohemian Toastmasters Charter Ceremony.

The celebration will continue in the evening after the conference with the **Bohemian Toastmasters Charter Party** at Budvarka restaurant, where you can eat, drink and socialize with fellow Toastmasters and guests. Please confirm your attendance at the party in your registration e-mail. Let us know the number attending and your meal choices from the selection below.
