Dear Fellow Toastmasters and Guests,

Speech contests are important parts of the Toastmasters International educational programme. Speech contests provide an opportunity for speakers to gain contest experience, and interesting educational programmes for Toastmasters members. They also allow those Toastmasters and guests who are not participating in contests to learn by observing the speakers.

The contests are organized twice a year (spring and autumn). The spring contests offer the International Speech Contest and Evaluation Contest, whereas the autumn contests consist of the Humorous Speech Contest and Table Topics Speech Contest. The winners of the contests represent the Club at the Area contests, the Area winners at the Division contests, and the best speakers compete at the District conferences of the Continental Europe 59.

Pardubice Enthusiasts Toastmasters International Club is honored to organize the Division D contest, and is pleased to invite you to this special Toastmasters' event.
